

School of Biblical Studies

SBS Night School 2012 (Year 6)

Background

The full-time School of Biblical Studies within Youth With A Mission Singapore has been running in Singapore since 1989. Over the years hundreds of students and staff have benefitted from learning how to study the Scriptures. People have asked us over those years if we had a part-time school for those who cannot study full-time to participate in. In 2007 we started our first year of the SBS Night School. The Night School provides us with an opportunity to share with you the things that we have learned and taught in our full-time course.

So we will be offering SBS Night School Year 6 in 2012 and it's open to both **NEW** participants as well as those who want to continue from the 2011 school.

What will be covered?

We will begin with teaching the tools of Bible study, and walking the students through the assignments. The first week of the course will be an intensive time of teaching the Bible study tools and so there will be extra classes that week. The first week is for new students. After that all students will join as we study the books listed on the back of this flyer.

As we study each book, the staff will give you a basic overview of the book, including historical background and main themes. Each student will be assigned to a staff member who will be 'on call' to help the student. We have a "homework" and "non-homework" option. Those in the "homework" option* will receive guided coaching on how to see more in the text.

*Limited places available for "Homework" option.

Words from our teachers

I am excited to provide this Night School as an answer for the strong cries for this learning from the SBS Night School students. Each year so far I have seen the keen attitudes and zeal they show toward learning and growing deeper in God's Word. The Books in the coming year look very interesting and I am thrilled that we will tackle them together! SBS Night School is providing a great atmosphere and structure for believers to dig deeper into God's Word together. It appears we will get to finish our first course through the entire Bible in just two more years! - Jerry

"Over the past 5 years we have had such a good time of fellowship & learning with the students in the SBS Night School. It has been a joy to share God's Word with so many 'missionaries in the marketplace, in the homes and in the church' who are hungry to know more about God and His great truth. We are looking forward to starting our 6th year of SBS Night School and we hope that many will join us as we continue to know God by studying His Word book by book. We believe you will be blessed as we work through about 10 books of the Bible; most of the books in this year are from the Old Testament. We invite you to join us!" - Maria
