DON'T FORGET

The Past

Deut 8:1-6, 11-19

Moses' final words to Israel

When you have settled into the
Promised Land and have done well,
Do Not Forget where you've come
from and how God has revealed
Himself to you.

Why?

So that the future generation of Israel doesn't stray and walk away from God and His covenant to make Israel a nation that will reflect His Glory.

Whenever God presses the reset button, it is always because

- there is too much going on and it is slowing down or potential/already derail
- the task ahead requires a lighter load
- the future generation

**WHEN GOD DOES
SOMETHING >>> ISAIAH
43:18-19**

NEW

“But forget all that,
it is nothing compared to what I am
going to do.

¹⁹ **For I am about to do something new.
See, I have already begun!**

Do you not see it?

I will make a pathway through the
wilderness.

I will create rivers in the dry
wasteland.”

NLT

“Forget the former things;
do not dwell on the past.

¹⁹ See, I am doing a new
thing! Now it springs up; do
you not perceive it? I am
making a way in the
wilderness and streams in
the wasteland.

NIV

Context in Isa 43:18–19 is in v16–17.

Israel in exile to Babylon.

God was reminding them of their exile in Egypt and what He did to rescue them. However, He is saying **“Don’t put me in a box. Don’t confine me to what I have done in the past, I am doing something new.”**

Preparing For A New “God–Thing”

When the Lord asks, "Shall you not know it?" He is saying, **"Do you want to open yourself to My new thing? Are you willing to embrace it?"**

This verb "know" in the Hebrew language is far more than cerebral awareness of insight. It has to do with the total giving of yourself, as in the husband–wife relationship within marriage. This "knowing" is a total receptivity, a total embrace.

The Lord is saying, "I'm going to do a new thing. Will you embrace it? Will you receive it into your life?"

The Hebrew word "spring" here in verse 19 is the word for "sprout."

What this text actually says is: "now it shall sprout."

What the Lord wants us to understand when He says He's going to do a new thing is that **it is in process already**. You can't see it yet, but it's set in motion; just like after a long, cold winter, there's a change going on inside the Earth underground, preparing to bring the approach of spring.

Beyond what has perhaps been the cold, bitter winter of your soul—or the drought of a long dry spell—**the Lord says He's set in motion that which will bring about deliverance unto a time of growth, development, refreshing, and fruitfulness.** When God's "new thing" sprouts in you, it will be with the fragrance and beauty of the springtime of His purpose in you.
